#### Hi [Name],

The 519 is fundraising \$20,000 to support their work in responding to evolving and diverse needs of 2SLGBTQ+ communities. They're using the funds to take strategic actions like community development, outreach, and providing support where it's needed most.

I am supporting The 519 by running in [Run Event] on [Run Date]. Help me raise [**\$Personal Goal\$**] to reach my fundraising goal!

\$10 can provide a meal for someone in our New to Canada program who fled queerphobic violence at home

\$25 can provide essential hygiene and personal care kits for community members struggling to make ends meet

\$50 can provide a welcome kit to a resident of Toronto's first transitional shelter for 2SLGBTQ+ adults

\$100 can give snacks for one meet-up of our 50+ Older Adults LGBTQ+ program participants

You can donate at my fundraising page [personal pledge page link].

Thank you so much for your consideration! Your support means the world to me.

With much thanks, [Your Name]
