Background

The Kyle Scanlon Memorial Fund was established to memorialize the sudden passing of Kyle Scanlon, a long-time staff member of The 519, who worked closely with trans communities to support and advance trans inclusion.

Due to COVID-19 and its impacts on 2 Spirit, trans, and non-binary communities, the 2022-2023 Kyle Scanlon Memorial Fund will award a total of \$5,000.00 to either one project or a number of projects.

Over the past year, as many social disparities have become more apparent, community-led efforts to challenge racism, anti-Black racism and systemic injustices have also risen in both prominence and impact. In support of this important work, The Kyle Scanlon Memorial Fund will prioritize projects and people supporting Black and Indigenous communities across Ontario and Nunavut. The Fund committee will also prioritize projects based in rural communities that respond to community need related to the COVID-19 pandemic.

Projects can submit for the full amount or any amount under that.

Goals/Objectives of the Fund

The following fund parameters have been established to guide the use of these funds:

- Commemorate Kyle and his contribution to trans communities and The 519
- Address issues that impact trans communities including promoting advocacy initiatives
